# SPLIT SHIP MANAGEMENT

## Commercial Management

Of course, the proximity of in-house Technical and Crew Management colleagues gives further synergies and benefits to the overall success of the voyage.

The SSM Commercial Department have very strong brokerage links worldwide and you can be sure that your vessel earnings will always be maximised.

We are also direct operators of a fleet of vessels, covering the whole of the Mediterranean - Atlantic - Caribbean - South/Central America range anywhere between the Pacific coast and Port Said.

With such a wide coverage, the chances are that we will have one of these vessels exactly when and where you need it - just contact our Chartering Department to get an update.

**For further information about our Commercial Management services please contact the SSM Chartering Department as follows:**
